Celebrating ...

The cats, breeders, owners, exhibitors and GLR clubs for the 2018-2019 season!

Regional Director 's Message

I cannot tell you how honored I am to be the Great Lakes Regional Director and how much I respect and am proud of everyone in our region. The breeders, exhibitors and clubs are the ones who put Great in the name. They come together to help raise funds for raffles, sponsorships and to help out in a crisis.

Again, we have had a difficult year losing friends, long-time ones and newcomers. People on Facebook posted memories, expressed their feelings and even donated to a GoFundMe® account to help out an unprepared heart-broken family. CFA on a whole lost retired judges and long-time exhibitors who were staples in our hobby.

Photo credit: Nicole Turk

Clubs continue to struggle finding show halls and dates to put on their shows. We also lost two more clubs because they rescinded membership: North Coast Cat Fanciers and Royal Canadian Cat Club.

In spite of our losses we had an overall GREAT year with tremendous strides and accomplishments:

- The 2022 annual fund has exceeded the projected budget so far. Our committees are working hard and always coming up with new ideas.
- The CFA International Show came to Ohio in October and was one of the most successful shows in recent times with an outstanding gate and an increase in gate. They will return again this year with even more entertainment.
- There are 18 National winners this year: five in Championship, seven Kittens, five in Premiership and the first GLR Household Pet to get the title of NW.
- All regional winning cats and breeds were sponsored for the banquet, including all household pets. This is the first time the HHP exhibitors rallied to get their class sponsored. Good job.
- We had our first calendar published in the fall last year. Please submit your pictures for the 2020 calendar. Those chosen by the committee will then donate \$25 for the cause.
- The GLR website gets 40 hits a day. We plan on taking advantage of this and use the website to generate further revenue

I will continue to find ways to make revenue for this region.

To everyone who has contributed, volunteered, entered shows or helped out in anyway at all for any GLR event, **MERCI!!**

Good Fortune Always,

John Colilla

Thank you to everyone who sponsored our awards and supported the region!

The CFA Youth Feline Education Program

Congratulations to the Great Lakes Region youth participants on a successful show season!

Their current successes are the foundation on which a very bright future will be built. The program was designed to let the young people of CFA determine their own path through various activities in hopes that they will find themselves in the hobby they love and in life in

general. All our kids have accomplished a great deal this year from showing their feline companion to raising money for a feral program to promoting CFA in the most positive light to the general public.

The positive attitudes these youth people have exhibited all year have given us some great moments and wonderful memories to be shared with family, friends, and the cat fancy in general. The contributions made by each of them will be felt for years to come, it gives the program great pleasure to recognize the Great Lakes Region's youth and to announce that some of youth will also be recognized at the Annual for National Awards.

Please join the program in congratulating the future of CFA on their accomplishments.

HIGHEST RANKED SELKIRK EVER

There are few things that would prevent us from sharing these wonderful awards our curly cats have earned this season, however we are celebrating a very special birthday this weekend.

Vincent Baugh, Tom's father, is 100 years old! We are celebrating with family members in a Birthday Bash in Jackson, Michigan.

Congratulations to all our winners! It's been a fabulous show season.

Many thanks to our friends, fellow exhibitors, all the judges, show committees for such wonderful memories.
