Ow: DONNA - SKYE - RICHARD RUNZEL

Regional Director's Message

Celebrating...

The cats, breeders, owners, exhibitors and GLR clubs for the 2019-2020 season!

Well, this was a different kind of show season but one to be celebrated all the same. Our year ended abruptly after just 10 ½ months but that was still plenty of time for memories to be made.

We added some old friends to the Rainbow Bridge who many may not remember. They made a big impact on their respective breeds and their losses were sorely felt.

The shortened year caused a lot of talk, concern and questions which led the board to adjust the point minimum creating a few more placements in Championship and Premiership. This allowed two more Great Lakes Region cats to receive National Wins this year.

Our region always puts the GREAT in Great Lakes and this year was no different as we had:

- 21 of the 103 National Winners this season.
- 5 Exhibitors getting their first National Wins
- 3 new Grands of Distinction
- 146 new grands, 6 were ONE SHOW GRANDS
- 3 new Certified Ring Clerks, 1 new licensed Master Clerk, 1 new Master Clerk Instructor
- The Savitsky Cats from America's Got Talent at the International show
- CFA's first Zoom Regional Awards Celebration

Although times have been tough and a bit trying, I appreciate your patience while we figure this all out. Please know I am so proud to be part of our Great Lakes family and can't wait to see what we accomplish together in the future.

Thank you to everyone who sponsored awards
and supported the region!

The CFA Youth Feline Education Program

**Congratulations to the Great Lakes Region youth participants
on a successful show season!**

Their current successes are the foundation on which a very bright future will be built. The program was designed to let the young people of CFA determine their own path through various activities in hopes that they will find themselves in the hobby they love and in life in general. All our kids have accomplished a great deal this year from showing their feline companion, to assisting in various capacities with shows and continuing to learn the cat fancy while promoting CFA in the most positive light to the general public.

The positive attitudes these youth exhibited all year have given us some great moments and wonderful memories to be shared with family, friends, and the cat fancy in general. The contributions made by each of them will be felt for years to come. It gives the program great pleasure to recognize the Great Lakes Region's youth.

Please join the program in congratulating the future of CFA on their accomplishments.
