# Scorecard

**SECTION B – Please list cats bred and shown by you and their CFA titles or awards and appropriate points for these titles and awards. The sum of these points must equal or exceed 15.**

Notes: NO MORE THAN 5 cats may be listed as Additional Grand Champions/Grand Premiers. Cats listed as Additional Grand Champions/Grand Premiers MUST NOT appear in Section A. Cats listed as attaining any other title or award can appear in Section A. In the case of a cat attaining two CFA titles or awards, it should be listed only once with the higher point total of the two (E.g., a cat attaining both RW and BW status should be listed as a BW and contribute 7 points to the total).

CFA TITLE or AWARD	POINTS
National Winner (NW).....	8
Regional Winner (RW).....	5
National Breed/Division Winner (BW).....	7
National 2 <sup>nd</sup> Best of Breed/Division (2BW).....	4
National 3 <sup>rd</sup> Best of Breed/Division (3BW).....	2
Distinguished Merit (DM).....	5
Additional Grand Champion or Grand Premier (GC or GP).....	1

Examples: Listing 3 NW's would sum to 24 points (this exceeds 15)

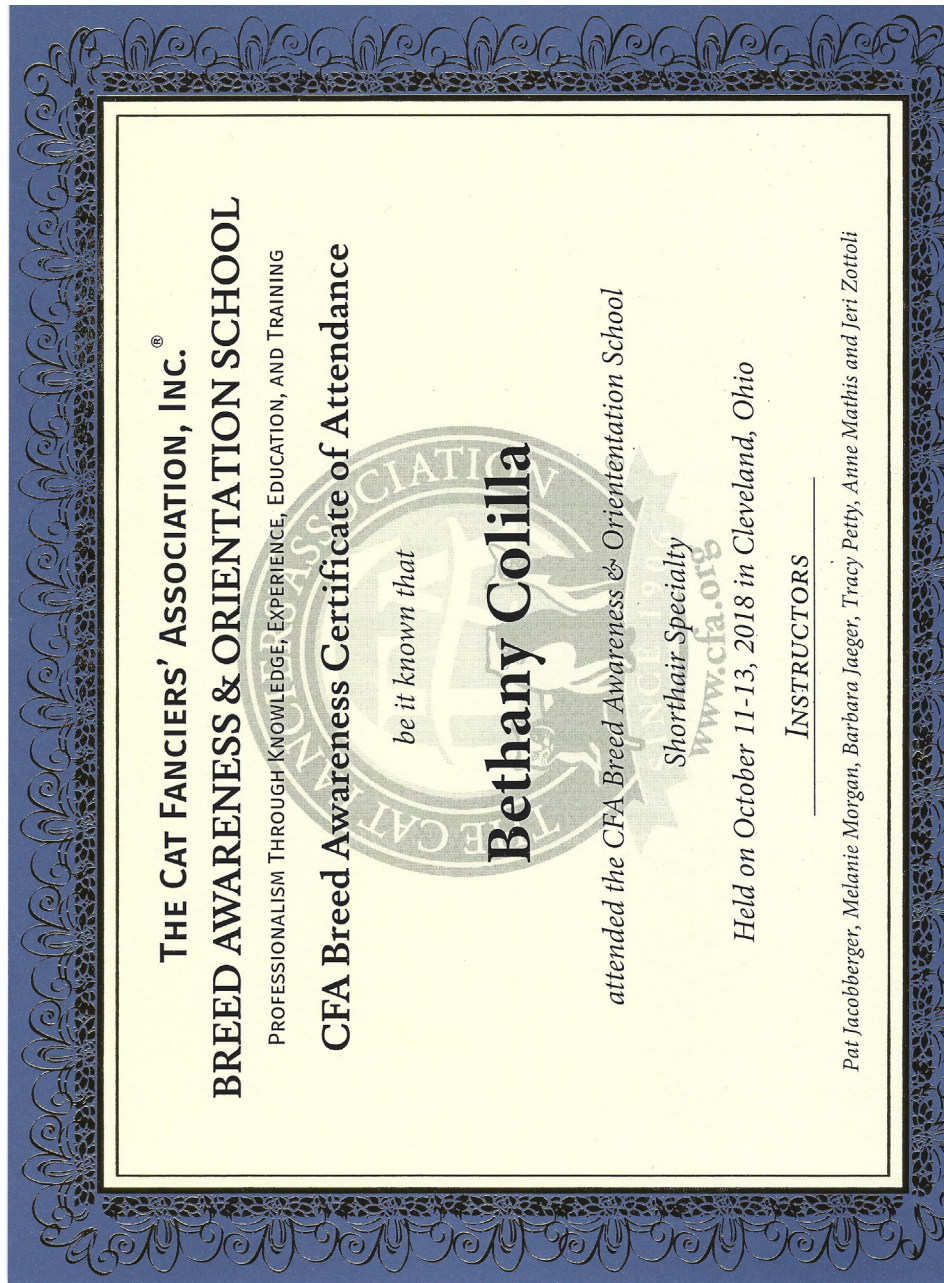

Listing a NW + BW would sum to 15 points.

Listing NW + RW + 2 additional GC's would sum to 15 points.

Listing 2 DM's + 2BW + 1 additional GP would sum to 15 points.

## American Shorthair Visit with Gunsmoke Cattery

- 1) 9 years old, Silver Tabby male, Grand Champion, Regional Winner  
Hard coat. Pale silver color with dense black markings and tabby pattern but some staining on front legs. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Squared muzzle on a large head with full cheeks. Large wide set eyes with half almond shape on top and fully rounded curve on lower half. Sweet open expression.
- 2) 3 ½ years old, Silver Tabby spay, Champion  
Pale silver color with dense black markings and tabby pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Large wide set green eyes with half almond shape on top and fully rounded curve on lower half. Ears a little large and a little close together. Body is a little smaller in size while still being solidly built, muscular and well-developed.
- 3) 5 months old, Silver Tabby male, Kitten  
Ears a little large and a little close together but as kitten matures they should end up in the right place, as they were that day though they were too close. Pale silver color with dense black markings and tabby pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Coat is a little on soft side and could be harder.
- 4) 3 ½ years old, Silver Tabby male, Grand Champion , Breed Winner, National Winner  
Solidly built body, powerful, muscular well-developed body. Head is large with full-cheeks and a sweet open expression. Squared muzzle. Large wide set eyes with half almond shape on top and fully rounded curve on lower half. Ears medium in size with slightly rounded tips and set with a good distance between them. Hard coat. Pale silver color with dense black markings and tabby pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades.
- 5) 5 years old, Brown Tabby female, Grand Champion  
Hard coat. Brilliant coppery brown ground color with dense black markings and pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Head is large with full-cheeks and a sweet open expression. Squared muzzle. Large wide set eyes with half almond shape on top and fully rounded curve on lower half. Ears medium in size with slightly rounded tips and set with a good distance between them. Solidly built body, powerful, muscular well-developed body.
- 6) 4 ½ years old, Brown Tabby female, Champion  
Hard coat. Coppery brown ground color with dense black markings and pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Head is large with full-cheeks and a sweet open expression. Squared muzzle, a little on the shorter side. Large wide set eyes with half almond shape on top and fully rounded curve on lower half. Solidly built body, powerful, muscular well-developed body.

- 7) 2 years old, Silver Tabby female, Grand Champion  
Soft coat. Boning is a little more on the fine side and less medium boned. Pale silver color with dense black markings and tabby pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Ears a little too large. Large wide set eyes with half almond shape on top and fully rounded curve on lower half.
- 8) 1 year old, Silver Tabby male, Grand Champion  
Pale silver color with dense black markings and tabby pattern but some staining on feet. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades. Large wide set eyes with half almond shape on top and fully rounded curve on lower half. Sweet open expression. Ears medium in size with slightly rounded tips and set with a good distance between them.
- 9) 2 years old, Silver Tabby male, Grand Champion  
Very short squared muzzle creating a more extreme look on a large head. Very muscular build, solid built boy with heavy boning. Gentle concavely curved from bridge of nose to forehead. Eyes large and wide with half almond shape on top and fully rounded curve on lower half. Hard coat, good color and pattern.
- 10) 7 years old, Silver Tabby male, Grand Champion  
Solidly built body, powerful, muscular well-developed body. Head is large with full-cheeks and a sweet open expression. Squared muzzle, a little on the shorter side. Hard coat. Pale silver color with dense black markings and tabby pattern. Clear bullseye, bracelets, rings, necklaces and butterfly across shoulder blades.

## Bengal Visit with A-Kerr's Cattery

- 1) 2 years old, Brown Rosetted/Spotted Tabby female, Grand Champion  
Head is broad modified wedge with rounded contours, it is longer than wide with high cheek bones but muzzle is a little narrow. Chin is strong and aligns with the tip of nose in profile. Ears are in the medium to small range. Eyes are large and round with pretty green color. Coat is short and luxurious. Pattern has good horizontal flow but I wish the spots were a little larger, definite glitter present.
- 2) 1 year old, Charcoal Seal Lynx Rosetted/Spotted Tabby female, no title  
Long and substantial muscular body, hindquarters slightly higher than shoulders. Coat is short and close-lying, no glitter present. Head is a broad modified wedge with rounded contours and is longer than wide. Eyes a little more on the oval side. Ears are set a little too far apart. A little bit of vertical pattern on the shoulder areas. White spot of fur on top of nose.
- 3) 1 year old, Brown Rosetted/Spotted Tabby male, no title  
Ears medium in size but too pointy and don't have rounded enough tips. Long substantial and muscular body. Large broad modified wedge head with rounded contours, top head is a little flat. Full broad muzzle and prominent whisker pads. Good horizontal flow to pattern with larger rosettes, warm brown color with darker color to pattern. Large round eyes.
- 4) 10 months old, Brown Rosetted/Spotted Tabby female, no title  
Smaller body but good length and muscle. Head is a little narrower, muzzle a little more narrow, underbite present. Ears are large and not set far apart. Nose leather isn't puffed. Coat is a little longer and has glitter present.
- 5) 2 ½ years old, Seal Lynx Point Rosetted/Spotted Tabby female, Champion  
Substantial bone, long muscular substantial body. Broad modified wedge head longer than it is wide. Gentle curve from forehead to bridge of nose. Large round blue eyes set wide apart. Broad muzzle with prominent whisker pads. Ears are on the larger size. Coat is short and close-lying. Good body color, horizontal flow and pattern color. Glitter present.
- 6) 3 years old, Brown Rosetted/Spotted Tabby male, no title  
Long substantial muscular body with substantial bone. Broad modified wedge head longer than it is wide. Large round eyes set wide apart. Could use more depth of chin and could use more prominent whisker pads. Horizontal flow is there but color to rosettes could be better.

- 7) 1 ½ years old, Brown Rosetted/Spotted Tabby male, Grand Champion  
Long substantial muscular body with substantial bone. Broad modified wedge head longer than it is wide. Muzzle is a little narrower and could use more prominent whisker pads. Eyes aren't large and are a little small for the size of the head. No glitter to the close-lying short coat. Good horizontal flow to the pattern.

## Bombay Visit with Euphoria Cattery

- 1) 12 years old, Black neuter, Grand Premier, National Winner  
Medium size body with muscular development. Coat is a little longer and not so close-lying. Head is pleasantly rounded, eyes are set far apart with large rounded aperture, eye color is in the gold to copper range. Ears are larger in size and set a little higher closer together on the rounded skull. He has a very strong jaw which takes away some from the sweet facial expression.
- 2) 2 ½ years old, Black neuter, Grand Champion, Grand Premier, National Winner  
Body is medium in size and very muscular in feel. Head is pleasantly rounded with large rounded copper eyes set far apart. Ears are a little larger in size but set well apart on a rounded skull. Round paws with black paw pads.
- 3) 7 ¾ years old, Black neuter, Grand Premier of Distinction, National Winner  
Body is a little shorter and a little more Burmese-like. Head is pleasantly rounded, eyes are large and set far apart with large rounded aperture, eye color is in the gold to copper range. Ears are medium in size and set well apart on rounded skull. Muzzle is broad and rounded but a little shorter giving a little more extreme look.
- 4) 4 years old, Black female, Grand Champion, Regional Winner  
Body is medium sized and muscular. Coat close-lying with a silk-like texture and patent leather sheen, coat is black to the roots. Head is pleasantly rounded, eyes are set far apart with rounded aperture, ears are larger in size but set well apart on rounded skull. Muzzle is broad and rounded but a little shorter giving a little more extreme look.
- 5) 1 ½ years old, Black spay, Grand Champion, Grand Premier, Regional Winner

## British Shorthair Visit with Castlkatz Cattery

- 1) 15 months old, Blue male, Champion  
Medium body, broad chest. Light blue color with a shimmer effect, clear of tabby markings. Massive round head, ears set far apart fitting into the rounded contour of the head. Well-developed chin. Large round eyes set apart and level.
- 2) 6 months old, Blue male , Kitten  
Coat short, dense but darker in color. Round face, large round copper eyes. Tail medium in length and proportionate to the body. Level back, broad chest and powerful body.
- 3) 7 ½ years old, Blue-Cream spay, Grand Premier, National Winner & GP of Distinction  
Massive, round head with round face and short thick neck. Shorter muzzle but definite stop beyond rounded whisker pads. Large, round, well opened, vivid copper eyes. Tail a little on the thinner side, not quite so thicker at the base. Good width between the ears.
- 4) 3 ½ years old, Blue male, Grand Champion & Regional Winner  
Distinctive muzzle with definite stop beyond rounded whisker pads. Chin firm, well-developed and in line with nose and upper lip. Large round orangey copper eyes on round, massive head. Broad chest and substantial boning. Well balanced and proportionate. Coat color a little on the darker side.
- 5) 3 ¾ years old, Cream male, Grand Champion  
Coat not very dense as cat is shedding. Round massive head with large round copper eyes set wide apart. Substantial boning, good breadth of chest. Chin firm and well-developed, well-developed and distinctive muzzle. Good width between his ears though there is a knick in one of his ears. Pale cream color free of tabby pattern.
- 6) 2 ¾ years old, Cream Mackerel Tabby male, Champion  
Large round orangey copper eyes on round, massive head. Broad chest and substantial boning. Harder feel to the coat while still being very dense. Medium sized body. Cream color with clear mackerel pattern.
- 7) 3 ½ years old, Copper-Eyed White neuter, Grand Premier  
Muzzle a little on the longer size but still well-developed and distinctive. Definite stop beyond round whisker pads. Head could be a little broader. Large, round, orangey copper eyes. Short, very dense coat. Body is large and powerful with good breadth of chest. Good width between the ears.

## Devon Rex Visit with Clarick Cattery

- 1) 4 years old, Chocolate Mackerel Tabby & White neuter, Grand Premier  
Warm chocolate color, clear mackerel tabby pattern, coat a little on the straighter side. Hard muscular body medium in length, good breadth of chest. Modified wedge shaped head with 3 convex curves apparent. Large wide set oval eyes. Large low set ears wide at the base
- 2) 2 years old, Chocolate Patched Mackerel Tabby & White female, Grand Champion  
Coat a little sparse on inner legs, behind ears, neck and shy on body coat. Muzzle a little on the longer side. Ears set low with wide base. Large oval eyes.
- 3) 2 ½ years old, Brown Mackerel Tabby & White female, Grand Champion  
Muzzle is maybe a little too short. 3 convex curves on head are apparent. Ears need to be a little larger. Large, wide set oval eyes. Well covered with fur, coat is soft but fine and full bodied. Wonderful mackerel pattern.
- 4) 2 years old, Brown Mackerel Tabby & White male, Grand Champion  
Some spots coat is sparse and other areas coat is tightly waved/curled. Great breadth of chest. Muscular, hard body. Paws small and oval. Modified wedge head with 3 distinct convex curves. Ears large and set very low, wide at base
- 5) 10 months old, Chocolate Mackerel Tabby male, Grand Champion  
Medium fine boning, sturdy legs, good breadth of chest. Well coated with loose wave. Ears strikingly large and set low, ears have jugged set. Eyes are large, wide set and oval sloping towards outer edges of ears.
- 6) 3 months old, Chocolate Patched Mackerel Tabby female, kitten  
Eyes are large, wide set and oval sloping towards outer edges of ears. Ears large and set low. Good breadth of chest. Could use more breadth to the muzzle and head. Coat molted/sparse in spots, well coated in others.

#### Devon Rex Visit with Ready or Not Cattery

- 1) 6 months old, Black Smoke male, Kitten  
Modified Wedge Shape to head with three distinct convex curves, head is broad but still longer than it is broad. Muzzle is a little longer but still with prominent whisker pads. Could use a little more depth to chin. Large, wide set oval shaped eyes. Body is a little longer than medium in length Good breadth of chest on medium length hard and muscular body. Coat is sparse right now over the body making it hard to see smoke coloring. Body hair is currently without wave.
- 2) 5 months old, Blue Mackerel Tabby female, Kitten  
Modified Wedge Shape to head with three distinct convex curves, head is broad but still longer than it is broad. Short, well-developed muzzle with prominent whisker pads. Large oval shaped eyes could use a little more distance between them. Ears set low but could be a little larger, also not much of a jug set to the bottom. Good breadth of chest on medium length hard and muscular body. Well covered with fur, coat is soft and fine with a rippled wave effect.
- 3) 5 months old, Blue Silver Mackerel Tabby & White female, Kitten  
Modified Wedge Shape to head with three distinct convex curves, head is broad but still longer than it is broad. Short, well-developed muzzle with prominent whisker pads. Strong, well-developed chin. Large, wide set oval shaped eyes. Ears are strikingly large and set low but do not have much of a jug set to the bottom. Good breadth of chest on medium length hard and muscular body. Coat is sparse right now over the body so there is no rippled wave effect to the body.
- 4) 5 months old, Brown Mackerel Tabby female, Kitten  
Modified Wedge Shape to head with three distinct convex curves, head is broad but still longer than it is broad. Short, well-developed muzzle with prominent whisker pads. Strong, well-developed chin. Large, wide set oval shaped eyes. Ears set low with good jug set to the bottom. Good breadth of chest on medium length hard and muscular body. Well covered with fur, coat is soft and fine with a rippled wave effect.

3) 7 years old, Black Smoke neuter, Grand Premier

Head is medium in length with rounded wedge and no flat planes. Profile has a gentle contour. Chin is firm, muzzle flows into existing wedge. Ears are on the larger side and broad at the base, slightly flared with good width between. Eyes are large and slightly rounded in shape with good gooseberry green color. Medium length body with well-developed muscles but slightly overweight right now. Coat is medium in length with pale silver color underneath and all hairs tipped in black with clear black spots.

4) 1 year old, Silver male, Grand Champion

Head is medium in length with rounded wedge and no flat planes. Profile has a gentle contour. Chin is firm, muzzle flows into existing wedge. Ears are medium sized, broad at the base, slightly flared with good width between the ears. Eyes are large and almond shaped. Medium length body with well-developed muscles. Coat is medium in length with pale silver color and black random spots of various size and shape with broken necklaces on chest. He has that worried look the breed is known for.

5) 5 months old, Silver male, Kitten

Head is medium in length with rounded wedge and no flat planes. Profile has a gentle contour. Chin is firm, muzzle flows into existing wedge. Ears are larger in size, broad at the base, slightly flared with good width between them. Eyes are almond shaped. Medium length body with well-developed muscles. Coat is medium in length with pale silver color and black random spots of various size and shape.

6) 2 years old, Silver female, Grand Champion

Head is medium in length with rounded wedge and no flat planes. Profile has a gentle contour. Chin is firm, muzzle flows into existing wedge. Ears are medium sized, broad at the base, slightly flared with good width between the ears. Eyes are large and almond shaped. Medium length body with well-developed muscles. Coat is medium in length with pale silver color and black random spots of various size and shape.

7) 3 years old, Silver female, Grand Champion

Head is a little shorter in length with rounded wedge and no flat planes. Profile has a gentle contour. Chin is firm, muzzle flows into existing wedge. Ears are medium sized, broad at the base, slightly flared with good width between. Eyes are more of a rounder shape. Medium length body with well-developed muscles. Coat is medium in length with pale silver color and black random spots of various size and shape but contrast isn't as good.

## Oriental Shorthair Visit with Elemental Cattery

- 1) 8 years old, Green-Eyed White spay, no title  
Body is a little shorter and chunky. Long tapering wedge with no break at the whiskers. Nose is long but has slight dip to profile. Eye color is almost a green gold color. Ears are large and continue the lines of the wedge. Coat is a bit thicker in texture.
- 2) 3 years old, Red Spotted Tabby & White neuter, Premier  
Good length of body, good length of tail. Coat is close-lying with a short fine texture. Head is long but there is a slight whisker pinch to the head. Nose is long but has a slight dip to profile. Ears are large and continue the lines of the wedge.
- 3) 9 years old, Ebony female, Grand Champion  
Body length is alright but tail could be longer, body is also chunky. Long tapering wedge with no break at the whiskers. Nose is long but has slight dip to profile. Deep green almond shaped eyes. Close-lying short fine textured coat.
- 4) 1 ½ years old, Ebony Patched Spotted Tabby female, Grand Champion  
Long hard body with tubular shape. Long thin tail which tapers to a fine point. Long tapering wedge with no break at the whiskers. Nose is long but has slight bump at the end of the nose. Deep green medium almond shaped eyes. Ears strikingly large wide at the base and continuing the lines of the wedge an ears. Close-lying short fine textured coat.
- 5) 1 year old, Blue Patched Ticked Tabby & White female, Grand Champion  
Long hard body with tubular shape. Long thin tail which tapers to a fine point. Long tapering wedge with no break at the whiskers. Nose is long and straight. Deep green medium almond shaped eyes. Ears strikingly large wide at the base and continuing the lines of the wedge an ears. Close-lying short fine textured coat.
- 6) 3 years old, Odd-Eyed White male, Grand Champion, Regional Winner  
Long hard body with tubular shape but tail could be longer. Long tapering wedge with no break at the whiskers though he has a wider wedge. Close-lying short fine textured coat. Medium almond shaped eyes.
- 7) 3 years old, Ebony Tortoiseshell female, Grand Champion  
Long hard body with tubular shape. Long thin tail which tapers to a fine point. Close-lying short fine textured coat. Long tapering wedge with no break at the whiskers. Nose is long and straight. Deep green medium almond shaped eyes. Ears strikingly large wide at the base and continuing the lines of the wedge an ears. Body color is black with red brindled throughout.

## Selkirk Rex Visit with Highlandkatz Cattery

- 1) 4 years old, Blue-Cream Longhair female, Grand Champion & Breed Winner  
Broad, round, smooth head with full cheeks. Muzzle medium in width. Ears medium in size and broad at the base. Eyes large, rounded and set well apart. Medium sized body but substantial feel. Sweet open expression to the face. Soft, full curly coat.
- 2) 7 months old, Brown Mackerel Tabby Longhair female, Kitten  
Substantial boning. Soft, full coat with obvious curl. Coat is dense and full with random curls throughout. Broad, round head with full cheeks. Ears set a little high on the head. Eyes could be larger and more rounded, they could also be set further apart which would help give her a sweeter, open expression.
- 3) 4 years old, Blue-Cream Shorthair spay, no title  
Head not quite as round, head a little flat. Good breadth of chest. Eyes large, rounded and set well apart. Could use a little more depth of chin. Coat is soft, plushy, full and curled with random unstructured waves.
- 4) 5 years old, Brown Patched Mackerel Tabby Longhair spay, no title  
Substantial body and boning. Medium sized, well-balanced cat, great breadth of chest. Dense, full coat with random unstructured curls all over the body. Profile shows nose stop and downward slant with convex curve set below eye line. Round broad skull with medium sized ears set well apart.
- 5) 9 years old, Cream Tabby Shorthair spay, Grand Premier  
Oblique eye set. Larger sized ears set closer together and higher on the head. Good profile with nose stop and convex curve below eye line. Could use more depth of chin. Boning could be heavier and more substantial. Coat is soft, plushy, full and curled with random unstructured waves.
- 6) 2 ½ years old, Brown Tabby & White Shorthair male, Grand Champion & Breed Winner  
The coat could be denser. Classic tabby pattern is very clear and easy to see. Head could be a little more round. Eyes large and rounded, set well apart. Good profile with nose stop and convex curve below eye line. The muzzle is a little shorter. Good breadth of chest but smaller size body.
- 7) 5 months old, Brown Mackerel Tabby & White Shorthair male, Kitten  
Round, broad, smooth skull. Large rounded eyes set well apart. Ears are larger and set a little closer and high on the head. Profile shows nose stop and downward slant with convex curve set below eye line. Well-padded whisker pads, sweet open expression. Coat is well curled but could be denser.

## Somali/Abyssinian Visit with Gunsmoke Cattery

- 1) 1 year old, Ruddy Somali female, Grand Champion  
Medium length muscular torso though an overall smaller frame. Double coat, soft to touch but dense longer hair over britches and tail. Ground color is burnt sienna with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat. Modified slightly rounded wedge with gentle contours. Eyes are large and almond shaped. Ears are placed a little higher and closer on the head and are a little less cupped.
- 2) 12 years old, Ruddy Somali neuter, Grand Champion  
Back has slight arch. Modified slightly rounded wedge with gentle contours. Ground color is burnt sienna with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat. Double coat, soft to touch but dense. Ears large, moderately pointed, broad and cupped at the base. Left ear is clipped and has a splice.
- 3) 5 years old, Ruddy Somali male, Grand Champion  
Head is a modified wedge though muzzle is a little long and pointy. Ground color is burnt sienna with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat. Head has a flat spot between bridge of nose and forehead. Medium length muscular torso.
- 4) 1 ½ years old, Ruddy Somali female, Champion  
Medium length muscular torso. Head is a modified wedge though muzzle is a little long and pointy. Color on neck of cat is a little on the cream side. Body color is vibrant burnt sienna with black ticking. Eyes large almond shaped with a green-gold color.
- 5) 4 years old, Ruddy Somali female, Grand Champion  
Medium length muscular torso though an overall smaller frame. Ruddy coloring is less vibrant than other examples in the home. Modified slightly rounded wedge with gentle contours. Eyes are large and almond shaped. Ears are a little too large and not set far enough apart on the head.
- 6) 4 years old, Ruddy Somali male, no title  
Medium length muscular torso. Large ears, alert and moderately pointed while broad and cupped at the base. Modified slightly rounded wedge with gentle contours. Coat is ruddy brown with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat. Cat has a disqualifying feature as he only has one descended testicle.

- 7) 2 years old, Ruddy Abyssinian female, Grand Champion  
Modified slightly rounded wedge with gentle contours to brow, cheek and profile. Muzzle neither slightly pointed nor squared. Ears large, broad and cupped at the base. Large almond shaped eyes with deep gold color. Body medium in length, graceful, proportionate and balanced. Coat soft silky and fine but resilient to the touch. Coat is vibrant ruddy brown with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat.
- 8) 2 ½ years old, Ruddy Abyssinian Male, Grand Champion, Regional Winner  
Ears large, broad and cupped at the base. Modified slightly rounded wedge with gentle contours to brow, cheek and profile. Muzzle neither slightly pointed nor squared. Large almond shaped eyes with deep gold color. Body medium in length and balanced. Coat soft silky and fine but resilient to the touch. Coat is ruddy brown with black ticking, clear of barring on the legs, no broken necklaces or rings on tail or grey tones to coat, color not as vibrant on the boy as it is on the girl.

## Tonkinese Visit with Pawdancer Cattery

- 1) 11-week old, Blue Mink male, Kitten  
Young kitten so it could use more muscle tone and development. Body is medium in length. Blunt muzzle, kitten has proper profile with slight rise from tip of nose to stop, gentle contour from stop to forehead and a slight convex curve to the forehead. Eye color could improve with age, a little more blue for now. Ears set as much on top as on the side with oval tips.
- 2) 7 years old, Platinum Point female, Grand Champion  
Open almond shaped eye with brilliant blue color. Well-muscled, medium length body. Coat medium short, close-lying with soft silky feel. Rounded wedge shape head, ears a little high, profile as desired.
- 3) 11-week old, Champagne Mink female, Kitten  
Muzzle too pointed, not as long as it is wide. Body is a little shorter than the desired medium length torso. Good ear set, as much on top as on the side of the head. Eye color a little blue, could improve with age.
- 4) 1 year old, Natural Solid female, Champion  
Well-developed muscular feel to the body. Head is a little Burmese looking and is a little shorter, rounder and more extreme, less moderate. Sable brown body color. Open almond shaped eye.
- 5) 1 year old, Champagne Mink female, Champion  
Body is a little soft, less muscular feeling. Body is a little narrow as is head. Ears are set too high rather than as much on the side as on the top. Bump to nose rather than a gentle rise from the tip of the nose to the stop.
- 6) 8 years old, Natural Solid spay, Grand Champion, Grand Premier  
Medium length, well-muscled body. Close-lying silky coat. Sable brown color. Open almond eyes on a modified slightly rounded wedge shaped head. Blunt muzzle as long as it is wide. Ears as much on top and on high. Profile has a slight stop at eye level
- 7) 4 months old, Natural Mink male, Kitten  
Great muscular feel to his medium length body. Slightly rounded wedge shaped heads. Ears a little higher than they should be on his head. Eyes are almond shaped but not quite open in appearance as they are a little small. Chin is a little weak and could be stronger. Dark brown natural color, aqua eye color.
