Secretary's Message...

Another year is wrapped up in the CFA history books. Although this was a short year filled with a different kind of ending it all worked out and the Maine Coon Cats made sure they were part of the story taking TEN spots in the National standings this year!

The 2019-2020 show season welcomed three (3) more Maine Coon Cats into the club of Championship National wins, one (1) more kitten into the crew of National winners, four (4) Premiers into the posse of National winners for regions 1-9, the VERY FIRST National winning Maine Coon Cat in Premiership for the International Other division, as well as one (1) cat in China achieving a national title.. Our short season allowed 85 Region/Division wins, five (5) cats were able to earn their Grand of Distinction and three (3) cats achieved Distinguished Merit status which was contributed in part by the 115 cats who granded this season.

A huge THANK YOU to the following:

- o To all who helped get photos collected for the book this year and who helped share my posts searching for photos.
- o Donna Wiedemeier, Kirsten Lorditch & Vicky Edwards for making donations along with everyone who sponsored awards. Special recognition to Mariane Toth for covering EIGHT of the awards by herself!
- o EVERYONE who contributed ads for our book.
- o ALL OF YOU for your patience in my first year as your breed council secretary. There was a learning curve with big shoes to fill so I appreciate those who supported me and volunteered to help out.

I hope we have another successful year in our breed council when we are able to resume showing and that you all remain safe and healthy.

Bethany Colilla

Many COON-gratulations on all your achievements during the 2019-2020 show season. I had a plan for the back cover, but with all the sadness, dissappointment and negativity in the world I thought we could all use some cuteness and kittens instead.
